I did.

I will draft my version  
(not much different) on  
Township letterhead.

My plan is to hand them  
to each member at the  
Tuesday PC Meeting. If  
they are not at the  
meeting I will take it to  
their house Wednesday.

I will also draft the  
agenda for 12/17 and  
we can talk about it be-  
fore I give it to Pam  
Wednesday.

Tuesday is a busy day,  
LOL

Hey to be safe we probably should move the hearing out to meet the 15 days but if Jon and Rich want to volunteer to come to board meeting we can do that and wont require a vote to keep them and move forward. Wont have to change agenda but will have to post for public hearing and notify other board members to new date.

Herm needs to support  
this 100%

Talked to him this morn-  
ing and are going to talk  
again tonight

If I don't have a majority  
of the board asking me  
to submit that letter to  
the planning commis-  
sioners.  
I am in trouble.
