Re: Engagement Agreement – Solar Energy Ordinance

Dear Mike:

We are pleased that Tyrone Township (the "Township") wishes to engage Foster Swift (the "Firm") to represent the Township's interests regarding a solar energy ordinance. It is customary in the legal profession to initiate a relationship between an attorney and client through an engagement letter. This engagement letter will serve as an agreement about the nature and scope of our relationship with the Township.

Our services to the Township will be billed on the basis of hourly rates for the time incurred. The hourly rate for the Township's legal work is **\$275/hour**. The hourly rate for legal services we provide to the Township will remain in effect until **December 31, 2024**, after which the Firm may adjust its rate annually, but not by more than 5% unless otherwise agreed to by the Township and the Firm. The Township will also be billed for photocopies and other out-of-pocket expenses by the Firm on the Township's behalf. The costs and attorney fees will be billed monthly. **Our invoices will be sent by e-mail, unless you direct us to send them in some other fashion.** If an invoice is not timely paid, a late charge may be added to any portion not paid within thirty (30) days. The late charge will be computed at the rate of .58% per month (7% annual) starting thirty (30) days after the date of the invoice.

Based on the information you have provided, the Firm believes that its representation of the Township complies with the Michigan Rules of Professional Conduct. However, if we determine that a conflict of interest arises during this engagement, the Firm may take appropriate steps to remedy the conflict, including withdrawal.
