Workshop for board members to learn to work together as a team.

Finding A Pathway Forward

Sara Dollman-Jersey, Trustee January 2025

Theory of Group Dynamics

Bruce Tuckman

The Tuckman Model

Forming

Storming

Norming

Performing

The initial stage where the group comes together and starts to form. During this phase, team members are often polite, positive, and focused on understanding their roles, goals, and the tasks at hand.

Conflict and tension arise as team members start to assert their ideas, leading to potential disagreements and power struggles. This is a critical phase where many teams fail if they cannot resolve conflicts.

Teams start to develop cohesion as they resolve differences, establish norms, and begin to understand each other's strengths and weaknesses. Mutual respect grows, and team members accept their roles and responsibilities. The team reaches a high level of performance, operating efficiently toward common goals. There is a clear structure, trust, and flexibility in how the team works together.

Currently..."Storming"

- Spiraling conflict
- Ineffective communication
- No clearly established ground rules, norms, or goals
- No collaboration as a whole Board
- Expectations & goals are individual instead of mutual
- Lack of trust
- Power struggles
- _ ________
- Wasting time and taxpayer dollars
- Preventing us from doing what we should be focused on doing as a Board
- Interfering with statutory duties
- Creating a culture of hostility, resentment, and anxiety

Is this the way we want to serve the community?

We can accomplish NOTHING until we work TOGETHER to move on from

Storming Norming!

This is a critical stage where many teams FAIL if they cannot resolve conflicts.

We do have a choice.

Continue to storm

OR

Choose to be an active participant in finding solutions that move us forward as a genuinely <u>collaborative</u> Township Board.

How can we establish norms?

One Idea:

- Bring in well respected, proven, and unbiased facilitator <u>Lew Bender</u>
- Participate in a 1 day workshop as a Board
- Professionally, Lew has helped municipalities all over the state and country to build a effective and functional team (including neighbors like Grand Blanc, Fenton, Flint Township, & Linden)
- Lew's work would help us optimize "Forming" & "Storming" to reach new "Norms"
- It starts with learning how to work together and establishing ground rules for

Engagement - Disagreement - Communication - Respect - Accountability Measures

At the end of the day, the goal is to have established clear, mutual expectations that are shared and supported by ALL team members

COSTS

The cost of changing nothing far exceeds the cost of investing in professional development.

Full Day Workshop for 7 Board Members:

\$3,000 (+ Travel for facilitator)

Estimated Cost: \$3,500

BENEFITS

Establish Norms so we can PERFORM!

- Find common ground
- Establish mutual expectations
- Improve communication
- Learn how to effectively share ideas and concerns
- Establish a new framework for collaboration
- Reduce costs
- Improve efficiency
- Move toward strategic planning to define goals

Goal: Reach Performing!

NEXT STEP: Take a deep dive into collaborative strategic planning - <u>This is</u> where I believe we all want to be and the work we hoped to do!

- Establish a new forum for rich Board discussion on bigger topics
- Openly share concerns
- Openly share ideas
- Ask questions
- Careful analysis of policies, procedures, wages, and Township operations
- Find consensus on 3-5 measurable goals we'd like to work toward over the next 3-4 years
- Develop an action & assessment plan

GET TO WORK BETTER SERVING OUR COMMUNITY!

Hogan Road Court order 2002.pdf

From: Charles Widmaier <charles.widmaier@harrisandliterski.com>

To: Mike Cunningham <mcunningham@tyronetownship.us>

Subject:

Mike: You asked how difficult it is to change the designation of Hogan Road as a truck route.

In May of 2002, the Circuit Court signed an order designating Hogan Road as a truck route. See attached. That Order was entered long before any of the current township officials held office. That designation applies unless the Court would change that order. For the Township to change that May 2002 Order of the Court, the Township would have to successfully obtain "Relief from Judgment or Order" that is provided for in the Michigan Court Rules. Specifically, Michigan Court Rule 2.612(C) provides for relief from judgment or order under certain circumstances. There is no provision that authorizes a Court to change a judgment or order simply because a party to the lawsuit simply does not like the terms of that judgment. Rather, the court rule has specific circumstances for granting relief. Those are:

- (C) Grounds for Relief From Judgment.
 - (1) On motion and on just terms, the court may relieve a party or the legal representative of a party from a final judgment, order, or proceeding on the following grounds:
 - (a) Mistake, inadvertence, surprise, or excusable neglect.
 - (b) Newly discovered evidence which by due diligence could not have been discovered in time to move for a new trial under MCR 2.611(B).
 - (c) Fraud (intrinsic or extrinsic), misrepresentation, or other misconduct of an adverse party.
 - (d) The judgment is void.
 - (e) The judgment has been satisfied, released, or discharged; a prior judgment on which it is based has been reversed or otherwise vacated; or it is no longer equitable that the judgment should have prospective application.
 - (f) Any other reason justifying relief from the operation of the judgment.
 - (2) The motion must be made within a reasonable time, and, for the grounds stated in subrules (C)(1)(a), (b), and (c), within one year after the judgment, order, or proceeding was entered or taken. Except as provided in MCR 2.614(A)(1), a motion under this subrule does not affect the finality of a judgment or suspend its operation.

Those reasons set forth in (C)(1)(a)(b) and (c) must be raised within 1 year of the date of the order or judgment and, therefore, cannot be raised. Subparagraph (d) does not apply as the judgment is not void. Subparagraphs (e) and (f) could be the basis if we had justification. Subparagraph (e) could be used if "it is no longer equitable that the judgment should have prospective application. Subparagraph would apply if we could otherwise convince a court that it should change the May 2002 order.

In my opinion it would be extremely difficult if not impossible to convince a court to change that order. US 23 expressway is a major route and trucks from east and west of US 23 seek access to that expressway. No court will say that trucks cannot enter Tyrone Township to travel to that expressway. It will be equally difficult to convince a court to change the haul route to another road within tyrone township to provide for access to that expressway. No court will want to relitigate what was already decided more than 20 years ago. I just do not think we can win this one.

POLICY AND GUIDELINES FOR APPLICANTS REQUESTING POVERTY EXEMPTIONS

MCL 211.7u, as amended, provides that:

(1) The principal residence of a person who, in the judgment of the supervisor and board of review, by reason of poverty, is unable to contribute toward the public charges is eligible for exemption in whole or in part from the collection of taxes under this act.

The following policy and guidelines have been adopted by the Tyrone Township Board to govern the granting of poverty exemptions:

APPLICATION PROCEDURE

- 1. <u>Eligibility and Application:</u> To be eligible for a hardship or poverty exemption the applicant must be both the property owner and taxpayer. Applicant cannot be a corporation, trust or other business entity and must do all of the following on an annual basis:
 - a. Be an owner of and occupy as a homestead the property for which an exemption from property taxes is requested. "Homestead" means that term as defined in section 508 of the Michigan Income Tax Act, being MCL 206.508, as amended.
 - b. File with the Township Assessor a completed Poverty Exemption Application (Form 5737 Application for MCL 211.7u Poverty Exemption) provided by the Assessor's office. APPLICATION MUST BE ACCOMPANIED BY FEDERAL AND STATE INCOME TAX RETURNS FOR ALL PERSONS RESIDING IN THE HOMESTEAD, INCLUDING ANY PROPERTY TAX CREDIT RETURNS, filed in the immediately preceding year and in the current year. Federal and state income tax returns are not required for a person residing in the principal residence if that person was not required to file a federal or state income tax return. Instead, Form 4988, Poverty Exemption Affidavit may be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current or immediately preceding year.
 - c. Produce a valid driver's license or other acceptable form of identification if requested by the Assessor or Board of Review.
- 2. <u>Filing period and Appearance</u>: Fully completed Poverty Exemption Applications with required supporting information will be accepted until one week prior to the last meeting of the Board of Review. All poverty applications will be heard at the Board of Review. The filing of a completed application with required supporting documentation shall constitute an appearance before the Board of Review for the purpose of preserving the applicant's right to further appeal the decision of the Board of Review to the Michigan Tax Tribunal.

EVALUATION PROCEDURE

- 1. <u>Meetings:</u> Meetings of the Board of Review relative to Poverty Exemption applications shall be held in compliance with the Michigan Open Meetings Act.
- 2. <u>Applicant's Presence:</u> The Board of Review may request an applicant to personally appear before the Board to respond to any questions the Supervisor, Board of Review or Assessor may have.
- 3. <u>Investigation:</u> Applicants for Poverty Exemption may be investigated by Tyrone Township to verify information submitted or statements made to the Supervisor, Board of Review or Assessor.
- 4. <u>Oath:</u> Applicants appearing before the Board of Review may be administered an oath affirming that the information submitted; both written and verbal is the truth.
- 5. <u>Criteria for Determining Exemption:</u> The Board of Review shall consider the following three (3) criteria to determine whether a poverty exemption shall be granted:
 - a. <u>Income:</u> The total income of the applicants and each member of the applicant's household shall not exceed the income standards as adopted by resolution of the Tyrone Township Board to be the Federal Poverty Income Guidelines which are determined annually by the United States Department of Health and Human Services. Income levels SHALL NOT BE SET LOWER than the Federal Poverty Income Guidelines.
 - b. <u>Assets:</u> The value of the Homestead will not be included when determining the assets of the applicant. The assets of the applicant and each member of the applicant's household shall be examined to determine whether the assets could be reasonably invested, sold or used to pay the property taxes. The Township of Tyrone's maximum cumulative value of assets allowed for a Poverty Exemption shall be \$10,000.
 - c. <u>Contribution from Other Sources:</u> If the Board of Review determines the applicant receives contribution toward taxes from other sources, such as a trust, inheritance, co-owner, relative, dependent, friend or occupant of the homestead, the Supervisor or Board of Review may consider the amount of such contributions as an addition to the applicant's income. If the resulting sum exceeds the Income Guidelines as adopted by the Tyrone Township Board then a hardship or poverty exemption shall be denied.

6. Granting of Exemption: If the applicants:

- a. Total household income from all sources does not exceed the Income Guidelines adopted by the Tyrone Township Board; and
- b. Does not have assets which can reasonably be invested, sold or used to pay the property taxes; and
- c. Does not receive or reasonably expect to receive a contribution toward taxes from other sources, The Board of Review may reduce the taxable value of the subject property and tax liability of the taxpayer.
- 7. <u>Deviation from Poverty Policy and Guidelines:</u> The Board of Review shall follow the Policy and Guidelines as set forth herein for granting or denying Poverty Exemptions.
